

2018 Mercurey Chardonnay

Michel Juillot

sku BC 42727

In Mercurey, a village nestled in Burgundy on the famous Côte Chalonnaise, Domaine Michel Juillot Estate farms 30 hectares of vines producing a large selection of the best “climats”. Today Laurent Juillot, fourth generation, is in charge of the estate. The Domaine is run along the principles of lutte raisonnée, with an organic approach. Harvest is done exclusively by hand, use of indigenous yeast, and minimum intervention in winemaking.

“This is, and justly so, one of the most respected Côte Chalonnaise domaines”
– Clive Coates –

100% chardonnay - 13% alc. Village level. Blend of two plots La Plante Chassey and Champ Roin. Hand harvested. Barrel fermented with indigenous yeasts. Aged on lees for 10 months (10% new barrels).

*Expressive and rich nose of white flowers, with aromas of melon, white peach and pear. Fat, fullness and richness, all in a slender and saline style.
Beautiful concentration balanced by a creamy, silky texture and striking minerality.
Long, vibrant with an almost exotic finish.*
